So sod house prices and all that other tiresome nonsense – here's some sexy naked girls to keep you going! Elsewhere, we bid a welcome return to the beatific Brea and cast a professional eye over the lesbo lunacy of Jan and Celine. RETRO STYLING

I have just had my monthly feast of squeezable boobs and slick fannies in your Vol 36 No 6 edition and, as usual, I was not disappointed and there was one particular set that really got me excited.

The photos in question feature a lovable young darling called Janie, who doesn't look too dissimilar to the foxy TV presenter Jayne Middlemiss, but that is not my reason for writing in. What I was really impressed with was the setting, a tranquil beach in some glorious location on the other side of the world no doubt. I've been enjoying your magazine since the '70s and for some reason the photos of Janie reminded me of the images that used to appear in your publication back then. It was all deserted beaches and other such exotic locations in those days and seeing those pics of Janie made me feel like I was a teenager again – and I really wish I was as I'd love to repeat all the sexual experiences I've had over the years. Although I'd probably give the one-night stand with the fat divorcee I had after an office party once, the miss.

You must endeavour to include more photo shoots of that style in your magazine as a reward for your longest serving readers.

OUTDOOR OGLIN'

My wife Charlotte is turned on by grass and open spaces. I often get her to flash in the park and she gets so carried away doing it. A few weekends ago we were taking a stroll through the fields that back on to our house and as it was a particularly warm day, Charlotte was wearing a tight pair of denim shorts and an even tighter vest top, which showed just how great her boobs are.

I was following her up a path, staring at her arse and getting mesmerised by its sexy wiggle. I'm not sure if she knows she's doing it or not but like I said it is very captivating to watch. By the time we had crossed the field my cock was so stiff I couldn't hold back any longer. Seeing that there was no one about I suggested to Charlotte that she give me a quick flash of her lovely boobs. She happily complied, pulling her vest top down and letting the gorgeous globes fall free. I walked right up to her and buried my face in her marvellous chest. She held my head tight against her bosom and although I could have suffocated it would have been a nice way to go!

After that little moment, we resumed walking across the next field and once again I watched in awe as Charlotte's arse swayed from side to side. Now I really was horny! I told Charlotte to stop and begged her to drop her shorts. At first she refused but when I told her there was no one about for miles she eventually relented and dropped her shorts.

I never tire of the sight of Charlotte's bare bum and when she grabbed hold of her cheeks and spread them apart right in front of me I couldn't control myself. I dropped my shorts and with my cock firmly in my hand I stepped towards her and rubbed it up and down her beautiful crevice.

"What are you doing?" Charlotte gasped as I ground my groin against her arse.

"Come on, love," I replied, "we're totally on our own out here, let's fuck!"

"You are such a dirty bastard!" she said to me as she dropped to her hands and knees with her bum raised in the air.

I knelt behind her and started to rub her fanny. The filthy minx was already nice and wet so I only had to finger her for a few minutes before squeezing my prick into her wanton pussy.

With grit digging into my knees it wasn't the most comfortable of positions but I proceeded to bang my wife from behind. As she started to moan and groan I told her she could be as noisy as she wanted to, no one would hear us, so that's exactly what she did. With each thrust she cried out loud and even I grunted louder than normal.

After a while I had to have some of Charlotte's great arse and knowing she likes it up the rear I began to finger her tight brown hole while still fucking her pussy. She seemed to like the idea of it and pushed back with force so my finger went knuckle deep up her back passage.

With no hesitation I withdrew my sturdy dick from her pussy and shoved it straight up her bum. Charlotte cried out with pleasure as I sank right to the hilt and started pumping her hard.

It was at that point I looked up to see some guy, about 50 metres away, watching us. I was far too horny to stop and if Charlotte had seen him she would have gone all shy so I turned her round so that she wasn't looking in his direction. The man knew I had seen him but didn't hide he just stood there and from what I could make out was having a play with himself. It felt a bit odd doing it for an audience, but I was past caring.

I rammed home my final strokes in Charlotte's arse much to her orgasmic delight and pulled out just as my cock exploded. The come strayed out of my cock like an unsecured hose and most of the white globules missed my wife completely.

When we had both got our breath back, we pulled our shorts up and continued with our walk. As we neared the end of the field, they guy who had been watching us was coming from the other direction. When he passed my wife and I he gave me a sly nod and I know he probably looked back to get a closer look at Charlotte's tempting arse. Mind you, I can't

GINGER NUT

Thank you very much for bringing us the delightful redhead Sarah back to your fantastic magazine. I was one of the readers who voted for her in the Girl Of The Year poll and I was very pleased when she came second. Despite my hopes, I knew she probably wouldn't come first because so many men go for the obvious blondes and brunettes. Still, it makes it easier to pull redheads and I'm currently dating one although (and I hope she doesn't read this) she's nowhere near as hot as Sarah!

Girls as gorgeous as Fran don't grow on trees. Which is probably just as well considering how many of the planet's forests get scythed down en masse just so burger chains can breed more cows or supermarkets can knock up another out-of-town retailing extravaganza. But it makes you think though, if females as fine – not to mention as willing to get their kit off – as her were a common occurrence, things would get awfully dull, wouldn't they? No, of course they fucking wouldn't. It would be terrific and we'd probably be publishing magazines the size of telephone directories every month!

"I don't think I'm anything special," a surprisingly modest Fran told us. "I get a lot of attention from guys but I know loads of girls who I think look better than me. Although I doubt any of them are as sexually adventurous. Perhaps it's my liberal attitude towards sex and porn that gets me all the attention."

I see that foul-mouthed Scottish chef Gordon Ramsey is on the hunt for a new female star of the celebrity chef circuit in his latest series of The F Word. Well, I'm sure I'm wouldn't be the first to suggest he look in the direction of Valerie, the sexy young thing you had posing in a kitchen in 36.6. Admittedly I've not sampled her cooking but it's not likely that us, the viewing public, would ever get to taste her recipes anyway so why not have her on our screens instead of all those feuding middle-aged men?

MY FAVOURITE WANK

I thought I'd write to you to see how much your sexy girls like cock. My girlfriend loves sucking cock and she is pretty good at it.

I quite like watching porno DVDs *(Fancy that! – Ed.)* and she'll me watch them in my living room. First of all she'll get really turned-on watching me stroking my big, thick, veiny cock. As I roll my foreskin back and forth my helmet will become darker in colour and a little bit of pre-come will start to ooze out of my shaft.

Then when she is good and ready she'll slide the whole juicy thing down her throat. Sucking long and hard and then paying special, delicate attention to my shiny helmet. Licking it sexily, slowly urging me to come all over her face.

When I am about to come my girlfriend positions her face in front of my cock and wanks it so hard so my spunk floods her face with hot sticky come.

So, back to my original question, do your models like sucking cock?

Mike, Bedford

We expect so.

MR PERFECT?

I am writing to tell you all about my lovely boyfriend. Not only is he drop dead gorgeous and very caring but he's also got a massive cock. I know a lot of girls reckon size doesn't matter, and even I used to say that myself, but since getting together with Simon I'm definitely one for big cocks.

I remember the first night we had sex. We'd been dating for several weeks and I couldn't help myself any longer. I was desperate for Simon to shag me so I orchestrated it that we go back to his place. After a few minutes of awkward small talk we were at it and I was pulling off his trousers to unleash the beast. I actually gulped when I saw the size of it, and that was before it had reached full hardness.

I love giving head so I

wasted no time in sucking him off and it's lucky I've got a big mouth otherwise I would have had great difficulty accommodating Simon's dick. I ran my tongue all over his length, around his balls and even around his sensitive knob.

Then came the time for him to fuck me. I demanded he go down on me first just to make sure I was wet and ready for his entry. He did as I said and I could tell he was an expert at eating pussy as he made me come even before he'd put his prick anywhere near me.

By the time he was ready to insert his length into me I was more than excited at the prospect. I have to admit it did hurt a bit as he slowly slipped it in. I could feel my vaginal entrance stretching further than it had ever stretched before – even further than when I had tried pleasuring myself with two dildos!

Simon was gentle though, and didn't start burrowing deep until he knew I was comfortable with it. This slowed the pace of things right down and made the whole experience last twice as long as any other shag I'd had in the past.

After slowly fucking me for some time I asked if I could go on top. Simon smiled and pulled his massive dick out, allowing us to change positions. Impaling myself on his stiff cock was an intense sensation. I really could feel every inch as I slipped down his pole. At least with me on top I could control the pace and gently began to ride his dick.

We were at it for ages and I had another two orgasms before Simon told me he was about to come. I was really knackered but I rode his dick like I was riding the winner at the Grand National and I was rewarded with a flood of hot spunk in my hole.

Exhausted, I climbed off Simon's pole for a breather. I thought once might be enough for him but no, to top off all his brilliant qualities, he was very quick to recover and within ten minutes he was hard again and eager to fuck me.

That night was one of the most sensational nights I have ever had and two years later we're still together. And I'm more used to a big dick that never runs out of steam.

I know Simon reads your mag so when he sees this letter he'll hopefully realise how grateful I am for being with him!

TWO'S COMPANY...

You've got a great magazine but I think you should show more lesbians. It was great to see Stella and Peaches together in last month's issue, but it wasn't enough! I reckon you should have at least five lesbian sets in each magazine, then there'd be plenty of pussy to choose from. What I'd really like to see, though, is three stunning babes having sex with each other. I won't be greedy or unrealistic and say four or five, but three would be nice. I won't push my luck by saying which three I'd love to see getting off with each other – if they're Club girls they're all sure to be crackers!

NOT ALL IRAQIS WITH MAGNETIC DEVICES UP THEIR BUMS ARE TERRORISTS

In March, a 35-year-old Iraqi national was briefly detained at Los Angeles International Airport after security workers who turned him over in a strip-search room discovered a half-inch magnet, wrapped in gum and inside a napkin, tied by a coiled wire and housed in his rectum. He was released after he convinced investigators that the magnet was up his hole for medical reasons. That's right: he was merely a believer in the supposed therapeutic uses of magnets.

So why on Earth did LAX security release him on such a seemingly ridiculous pretext without a major fuss?

The answer to that is stranger still. Only a month earlier, the British medical journal *The Lancet* published and distributed a doctor's letter to inform security officials around the world that patients with perianal sepsis are typically treated by inserting suture material, knotted on one end but with the other extending outside the anus, a sight that might suggest to security monitors that drugs, or explosives, were at the other end of the string. When in fact they just had a magnet up their jacksie.

No seriously. *The Lancet* felt that this particular information should be general knowledge among the planet's ever-growing army of increasingly officious glorified bouncers, and, oddest of all, these ostensibly tough and unfeeling security men had taken note, acting with genuine sensitivity towards an Arab with a damaged hole.

DIM CRIM'S ONLINE PROFILE ATTRACTS LAW-ENFORCEMENT I.M. CHUMS

He isn't the first and he probably won't be the last. Since the Internet caught on, the number of conceited dummies who imagine they are impressing others by publishing details of their criminal misdeeds on web pages and in blogs has been growing by leaps and bounds – which is a godsend for the police.

In March, a 26-year-old Texan man became the latest twat to take himself down when publishing the details of his cocaine business on his MySpace.com pages, together with a photo of himself fondling big wads of money, this act of stupidity led to his being sentenced to 70 years in a federal penitentiary.

ELITE BODY CARE PLAN FOR THE MINDLESS

34-year-old charismatic con-person Stacy Finley recently pleaded guilty to defrauding 22 middle-class people. Finley had convinced them to spunk up a total of $989,000. For this, the people understood that they would have special secret space-age medical treatment currently only available to the most important people on the planet.

Most particularly, they understood that "special medical satellites" would conduct scans of their bodies while they slept. While this was going on and they were unconscious, they would be monitored in their sleep and given top-secret therapeutic drugs by CIA operatives who would enter their homes using skeleton keys.

This is the sort of thing some folks will believe and pay money for in Shreveport, Louisiana.

ORGANIC PRODUCE

"THE MYSTERIOUS STICKERS ON VEGETABLES"

It so happened that a mate's old auntie was coming down to visit his family from her home in Scarborough for a week. The old dear was a committed vegetarian. So my mate went to his local supermarket to stock up on the veggies.

He had very nearly filled his basket with cauliflowers, cucumbers, and even a watermelon, when he noticed a man standing watching him from the shadows, even though the supermarket was so brightly lit it was giving my mate a headache. The man, whose face was hidden by a ski-mask, sidled up to my pal.

"Check the produce," the man said out the corner of the mouth-slit in his ski-mask. "The veg."

"Check it for what?"

The ski-mask bloke hissed: "Are you mad? Have you got a death wish?"

My mate said "Go on, fuck off!"

The ski-mask bloke said: "Will I buggery go on and fuck off. Check the veggies for tiny hidden labels the same colour as the veg! Listen, I'm from CI5 (or whatever it was Bodie and Doyle were in) and what nobody except me and one or two secret government agencies know is that every second vegetable sold in Britain has got a tiny mysterious sticker on it somewhere, usually the same colour as the veggie for camouflage purposes, and the ones with these stickers on are no good to eat because they are toxic and will kill you if consumed by mouth. If, on the other hand, you was only buying them to ram up your arse or your ladyfriend's cunt for a cheap thrill or something, no harm would come to you and you would be as safe as houses. Look, give me that cucumber here and I will show you."

My mate put the basket down on the floor of the supermarket and the pair of them went through it... and sure enough, out of about a dozen items there was eight or nine with these tiny dark green stickers on them, and when my mate peeled the stickers back to see what the official British Government warning was that they had on them the writing on every one of the stickers said: FOR ANAL OR VAGINAL INSERTION ONLY. And underneath the official warning was a PS from the Surgeon General of the British Medical Association that said "Sorry about this, customers, but if you have already paid for this product you may as well stick it up your arse."

In this month...

62 YEARS AGO

1945. German Radio announces that Hitler and his allegedly beautiful assistant Eva Braun have topped themselves, and everybody in Europe jigs for joy... never mind that the remains of the monster's body are never authenticated and that the part-defaced corpses of several look-alikes are found kicking about the grounds of the Reichs Chancellery – even one floating facedown in the Bunker's water tank.

No-one apparently finds it odd, either, that after more than two years prioritising the construction of underground palaces, factories and military installations (800 in all) beneath Germany, where he could hide (he was a craven coward you may recall) with his mates and carry on the war, Hitler decided "Acht no. Das ist too much trouble. Na, instead of this I vill just knock meinself off."

Which brings us to...

35 YEARS AGO:

1973. An 84-year-old German with a postage stamp style moustache resembling a glamour model's fanny hair disrupts a Wednesday night recording of BBC's *Top Of The Pops* when he scrambles onstage during glam rock group Sparks' performance of 'This Town Ain't Big Enough For Both Of Us' and attempts to throttle keyboard player Ron Mael, who, as a gimmick, always sports a Hitler hairstyle and whiskers while staring coldly into the TV cameras.

The octogenarian, who screams obscenities in both German and English at the choking musician, somehow eludes producers, Ron's brother Russell, presenter Jimmy Savile, Pan's People, and even old 8th Army Desert Rat turned janitor Deryck Guyler from *Please Sir!*, who is on the door.

Adjusting his spectacles and adopting a pugilistic stance after the geriatric teuton's escape, Guyler vows: "Oh, but I'll get him next time. Just you wait and see. Old Adolf won't get away from Norman Potter a third time. Oh dear no."

TOP TEN...

...WAYS TO AVOID CONTRACTING VENEREAL DISEASES

12. Become celibate. That's right: the toughest one first. That's why it's least popular at Number 12 in our little countdown.

11. Pay your local vet to castrate you. This should curtail any urges to risk catching an STD that you might experience if you still had your balls. (Actually, maybe THIS one should have been at Number 12 in the list).

10. Self pleasure! After all: why waste your money on a prostitute when you can be your own whore?! An especially potent masturbation trick to increase the thrill of masturbation is to sit on your dominant (or "wanking") hand for a few minutes first until it gets pins and needles then goes numb. This way, when you start tugging your knob it feels strangely impersonal, as though the hand is somebody else's. No honestly: give it a try. If you're still not fooled then try applying a nice shade of nail varnish on that hand.

9. Make sure your partner has a recent clean certificate from the local VD clinic and that her status is updated at least four times daily. Six at weekends.

8. Only ever have sex with a virgin. And as seldom as possible with men.

7. Buy a six pack of beer. Prepare a candle-lit dinner. Then break your dinner date out of the flat-pack she came in and inflate.

6. Ask your partner to get down on all fours and go round behind her as though intent on doing her doggie. Gently spreading her buttocks, give her a prolonged squirt of Toilet Duck in both the main nether apertures. This fine lavatory product kills 99% of all known germs and squirts neatly all around the rim.

5. Try swotting up on Tantric sex, sensual massage and other such guff, By the time you have both learned and perfected all the proscribed moves one or both of you will have fallen asleep. Or else divorced, remarried and had kids with other people.

4. Use a condom. (Hmm – maybe that should have been No. 11 in the list: just before "Become celibate" and just after "Castration".)

3. After sex, scrub your johnson with carbolic soap, then dip in a solution of cleansing sulphuric acid.

2. If you must fuck without protection, court the healthiest octogenarian in your area with a big bunch of roses. If they have survived this long they are probably STD-free, and with all those wrinkles it's a safe bet that no one has molested them for decades.

1. Take a spade and head for the local cemetery under the cover of darkn- (Oh. Sorry – forgot that that's still illegal in this country. You'll have to wait until they change the law. Or move abroad.)

PHOTOS: 21ST SEXTURY

The other day I was chatting with some of my girlfriends and we got on to the subject of how noisy we are in bed. It's something I'd never really considered before, but after giving it some thought I realised I must be a right loud mouth when I'm getting fucked.

I can't help it, as soon as I've got a length inside me I need to express my pleasure somehow – and groaning seems to be the best way! I remember one time when I was fucking this guy in a hotel room and he had such a huge prick I could really feel it between my legs and couldn't help screaming at the top of my voice. He kept telling me to be quiet but there was just no stopping me. The next thing we knew there was a knock on the hotel room door. I put a towel round me and went to answer it. An embarrassed member of the hotel staff was standing there saying they'd had a few complaints and asked if we could possibly keep the noise down. Although I was more embarrassed than he was and felt myself going bright red!

Needless to say, when I got back into bed with the guy I was fucking we tried to keep as quiet as possible, but it was no use. I was enjoying it so much I couldn't control the volume and my whimpers started getting way too loud again. In the end, he was getting so annoyed he took his dick out of my pussy and stuck it in my mouth. That soon shut me up as my cries of pleasure were eventually muffled by a jet of hot spunk filling my mouth. So there's one way to keep me quiet! ♣

This Month: HDTV

Technological essentials for the 21st century chap. JACK BRAND picks out the good, the bad and the ugly of the gadget world...

You know, I don't think kids know just how ruddy lucky they are these days. Do you think they have any concept of just how shitting awful the world was before the invention of television? Given the state of education today, I suspect not. But the fact is that, if it hadn't been John Logie Baird's kicking the whole thing off in 1926 with his 30-line mechanically scanned system, the BBC adopting it in 1929, snapping up his 240-line system in 1936, and then dumping him altogether and turning instead to Marconi EMI's far superior 405-line system in 1937, we'd still all be gathering round the piano every night to sing hymns. Frankly, had I been alive at the time, even though I'd know no better, I'd have killed myself.

But, of course, we've come a long way since those tedious room filling CRT (Cathode Ray Tube) TV sets, with their enormous arses and low quality pics. Yep, since around the year 2000, the TV has been reborn and is now a completely different beast to Baird's creaky contraption. Gone are the fat arses that force the TV into the corner of your room and in are the sleek, sexy windows of the future that we were all promised: plasma and LCD (Liquid Crystal Display) TVs.

DEFINING MOMENT

A problem with technology is that, despite always being expensive at first, it's often very quickly replaced by something better. And that's exactly what has happened here. No sooner had we all parted with thousands for the latest standard definition model, they brought out High Definition and, suddenly, our shiny new flatscreens were yesterday's news.

You see, whereas the original plasmas and LCDs had possessed resolutions that pissed on CRTs, suddenly the odds were upped and resolutions rose to a whopping 720p (standing for 'progressive' and producing smooth images) or 1080i (standing for 'interlaced' and producing more detailed but less smooth images) lines, resulting in a level of picture quality that made that old CRT look like Baird's early efforts.

However – and this is where all those that bought into HD ready TVs early stand to get a tiny bit cross – now there's 1080p, which gives you all the smoothness of progressive pictures with the high detail of 1080 lines. That said, 1080p screens are horrendously expensive, so the big question is: do you need it? Well of course you fucking don't. And chances are you'll be more than happy with a 720p or 1080i HDTV for a lot less of your hard-earned.

So, let's leave all this baffling tech crap behind and look at the hardware instead. After all, that's what we'll be watching our über detailed porn on...

Stockists: www.philips.co.uk

Re-mortgage the house and behold the latest 42-inch colossus from Dutch crazies, Philips. Full 1080p capable and boasting some of the most advanced technology around, this beauty delivers some of the best HD pictures around from Blu-ray and HD DVD sources. What's more, utilising Philips' Ambilight, the frame changes colour to mirror the screen image, enhancing the viewing experience in a pleasingly surreal way that needs to be seen to be understood.

LG 60PF95 Plasma

Price: around £3,200

Stockists: www.lge.com

This stonking great model gives you 60-inches of full 1080p HD, which will leave you with colossal images of the highest quality and, on the looks front, LG have chosen to bless this saucy little sexpot with the same Chocolate styling that worked so well for its mobile phone, meaning red backlit touch sensitive controls. Plus, as it's 1080p HD, you won't be sent fucking shotgun furious when its replaced with a new, better technology in five minutes' time!

Sony 32D3000 LCD

Price: around £1,000

Stockists: www.sony.co.uk

This 32-inch HD ready LCD offers a lot for very little (relatively). There's BRAVIA picture enhancement, a resolution of 1366 x 768, an integrated digital tuner, and no fewer than three HDMI ports to deal with all your HD kit. Design-wise, Sony don't seem to have gone to great lengths to get people panting, but then this model is not for those shallow types that openly masturbate over their gadgets, but rather for the TV aficionado on a budget. ♣

SIN TWINS!

Jan and Celine are getting out of their clothes... and into each other's heads!

PHOTOS: RUDEBOY

We're sure hypnotherapists have a strict code of conduct they have to adhere to, but something tells us Jan breached regulations when Celine came in for a consultation to help her give up smoking. One minute she's being weaned off the nicotine, the next she's having full-on lezza sex. Or at least that's what we thought when we saw the fancy chaise longue in the background. As it turns out, no mind control whatsoever was required to get these two together – it was just pure lust.

"As soon as I saw Jan, I knew I wanted to have sex with her," Celine told us. "How could I not fancy someone as hot as her? They say opposites attract but as you can see we actually look quite similar, and mentally we're definitely on the same wavelength."

"That's right," added Jan. "We both know exactly what we want in bed – apart from each other! I didn't think there was anyone who loved oral sex more than I did until I met Celine. When we get in the 69 position we can be at each other's pussies for so long and orgasm so many times, we lose our minds!"

Ah, so there is an element of mind-bending at play, after all! ♣

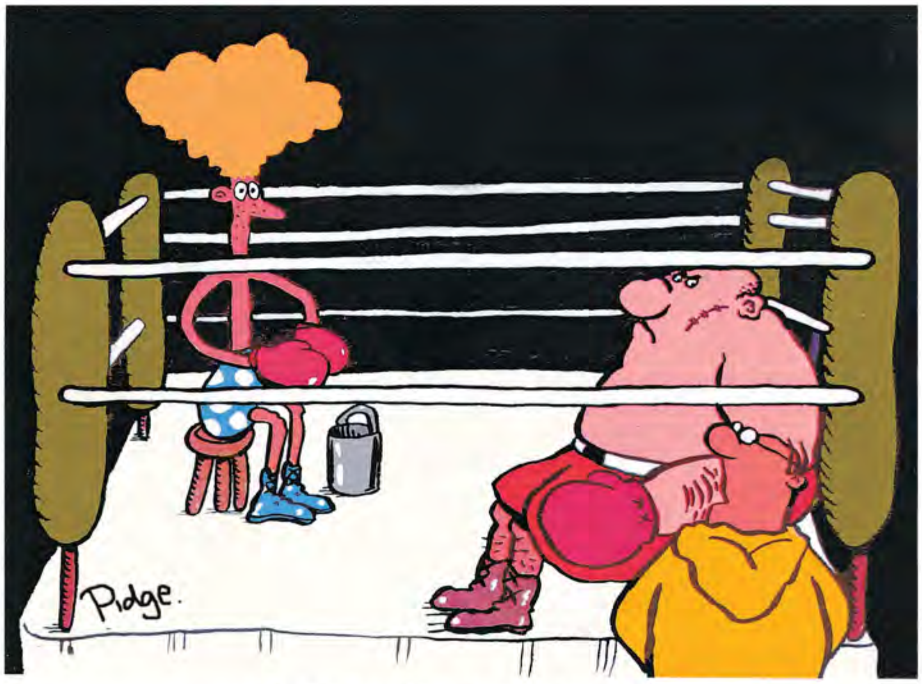
THE JOKE'S ON YOU!

It's Friday, it's late, we've been in the pub all afternoon. Here are the jokes that didn't raise any laughs. We wouldn't want them to go to waste...

Send us your favourite filthy jokes and we could reward you with a crisp £50 note so that you can go down the pub and have a drink with your mates while you tell it! Send your joke to the usual address or mail them to *clubint@paulraymond.com*



"You'll mop the floor with him."

SHORT-CHANGED

A newly-married couple returned from their honeymoon in the Caribbean and it was obvious to everyone that they were not talking to each other. So after meeting down the pub for a few jars the groom's best man took him aside and asked what was wrong.

"Well," replied the man, "When we had finished making love on the first night, as I got up to go to the bathroom I stupidly put a 50 pound note on the pillow without thinking."

"Oh, you shouldn't worry about that too much," said his friend. "I'm sure your wife will get over it soon enough – she can't expect you to have been saving yourself all these years!"

The groom nodded gently and said, "I don't know if I can get over this though. She gave me twenty pounds change!"

SPIT HAPPENS

One day a man walked in to a busy pub with a box on his shoulder. He sat down, placed the box on the bar, opened it and out popped a little leprechaun.

The man told the barman, "I want a pint of beer and a shot of whiskey for my little friend here."

There was a man sitting at the end of the bar watching all of this and, after the leprechaun drank his shot of whiskey, he ran down to the end of the bar and spat in the guy's face. Then he ran back.

The guy with the box said, "I'll have another beer and a shot of whiskey for my little friend here."

After the leprechaun drank his shot of whiskey, he again ran to the end of the bar and spat in the man's face, then dashed back.

The guy with the box ordered another beer for himself and another shot for the leprechaun. Again, after the leprechaun drank his shot of whiskey, he ran down to the end of the bar. But this time the man was waiting for him and he grabbed the leprechaun and held him in the air.

He said, "If you spit in my face again, I'm going to cut your dick off."

The leprechaun laughed and said, "Leprechauns don't have dicks."

The man says, "If you don't have dicks, then how do you piss?"

"By spitting," said the leprechaun.

SOCCER HEAVEN

Two old blokes, Bert and Fred, are sitting on a park bench feeding pigeons and talking about football, like they do every day. Bert turns to Fred and says, "Do you think there's football in heaven?"

Fred thinks about it for a minute and replies, "I dunno. But let's make a deal: if I die first, I'll come back and tell you if there's football in heaven, and if you die first, you do the same."

They shake on it and sadly, a few months later, poor Bert passes on. One day soon afterward, Fred is sitting there feeding the pigeons by himself when he hears a voice whisper, "Fred... Fred..."

Fred responds, "Bert! Is that you?"

"Yes it is, Fred," whispers Bert's ghost.

Fred, still amazed, asks, "So, is there football in heaven?"

"Well," says Bert, "I've got good news and bad news."

"Give me the good news first," says Fred.

Bert says, "Well... there is football in heaven."

Fred says, "That's great! What news could be bad enough to ruin that!?"

Bert sighs and whispers, "You're down to be in goal on Friday."

PRIZE JOKE!

THE LAST GULP

An African leader makes an official trip to Russia. At the end of the trip, the Russian leader tells the African that in Russia they have a custom performed called "Russian Roulette" to demonstrate one's courage. The Russian whips out a revolver, loads one chamber, gives the cylinder a spin, puts the gun to his head and pulls the trigger... CLICK... empty chamber.

He hands the revolver to his African guest, and says, "Your turn."

Not to be outdone, the African repeats the ritual... CLICK... empty chamber.

The next year, the Russian visits the African country. At the end of the trip, the African tells his Russian peer he has spent the last year devising an African version of "Russian Roulette". The African then disappears through a door only to reappear a few minutes later smiling, and says, "Your turn."

The African escorts the Russian through the door. In the room are six of the most beautiful, naked women he has ever seen. The African explains that he is to choose one of the women, who will perform oral sex on him.

Dumfounded, the Russian asks, "What kind of test of courage is this?"

"One of them is a cannibal."

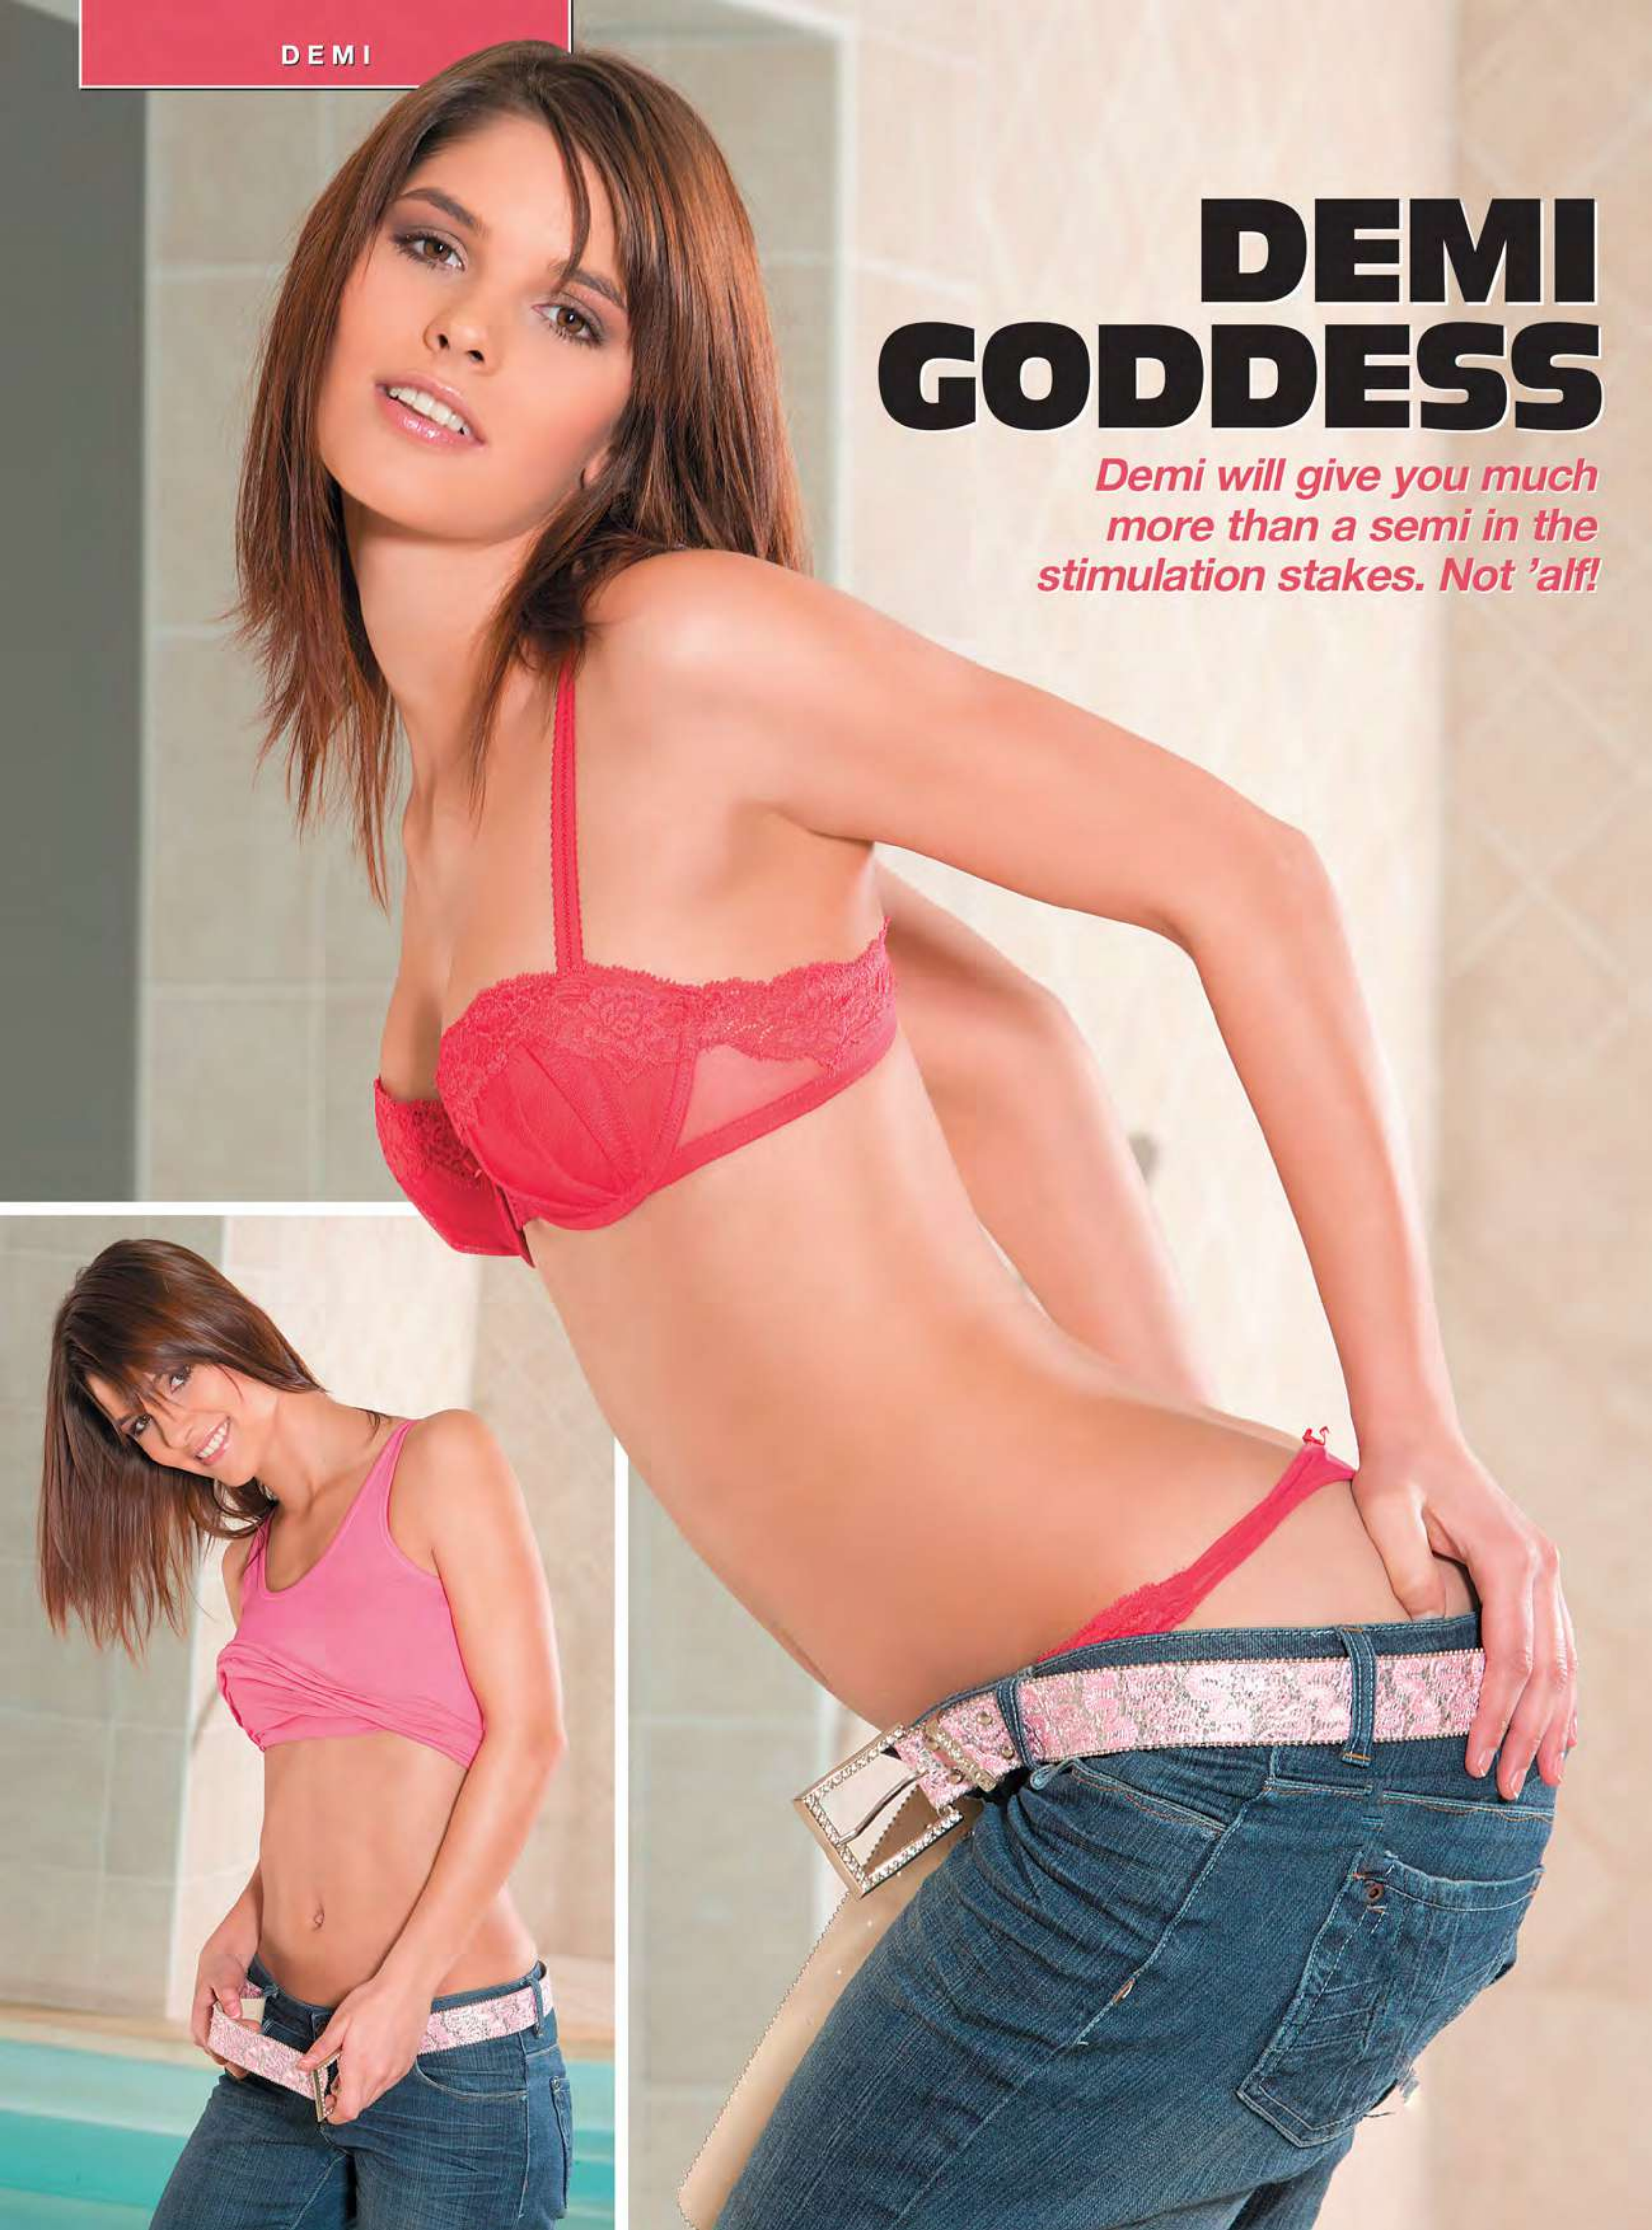
DEMI GODDESS

Demi will give you much more than a semi in the stimulation stakes. Not 'alf!



PHOTOS: SCOTT WARD

Correct us if we're wrong, but doesn't Demi in some continental tongue mean 'half'? If that is the case then we're afraid the lovely lady you're looking at now has been given the wrong moniker because as we're sure you'll agree, she's got the whole package – body, beauty and brains.

"I actually think my name is quite apt," Demi corrected us. "I'm lost without a partner and don't feel whole unless I'm having sex. I'm one of these girls who can only go a few days without getting laid, any longer and I start going crazy. So it's just as well I have no shortage of men wanting to stop me from feeling half-hearted! My current beau is even more dependent on sex than I am. He can't get enough of me and wants to fuck at every available opportunity. Last night we were walking home and he just couldn't wait, he took me down an alley for a quickie. I was so horny when we eventually got home I gave him the full works!" ♣

GUT HERR DAY

Is BMW's new M3 a wanky barnet or a sensible short back and sides? That's a question only Club can answer...

Time was when footballers led the way for bad hair. Remember Chris Waddle's spikey mullet and Gazza's Rolly the poodle perm? Shocking. These days most footy stars are too busy snorting coke and gang banging kiss and tell skanks to bother with rubbish hairdos. Meanwhile your average John in the street is slapping on the wax and gel like there's no tomorrow. Most popular is the just fallen out of bed hair, where every strand seems to be moulded in a different direction, but by far the most ridiculous is the indiscriminate Mohican. Wankers with spikes pointing out at all angles. And traditionally, of course, the BMW M3 is the automotive equivalent of this. It's a car that makes a statement: I'm an up myself cock. Which is a pity, because it's always been one of the most involving driver's machines in its class. So can the new M3 ditch its unwanted image as the ultimate wanker's car?

The styling is a real success. At the front, the low-slung xenon headlamps provide a muscular look from the outset, and blend well with the double-kidney grille. The lightweight aluminium bonnet is longer than on the standard two-door, and a bulge in the middle – BMW calls it a powerdome – hints at the brute force within.

From there back, the aerodynamically shaped wing mirrors are unique to the M3, while flared sills and side panels add to the muscular feel. The roof is made from lightweight carbon fibre-reinforced plastic, while the wings extend into a chiselled concave panel. At the rear, the diffuser is divided by carefully modelled bars, which reflect the styling at the front. The twin exhaust tailpipes complete the purposeful look.

It's a similar story inside. While the M3's cabin has obviously been taken out of a stock 3-Series Coupé, a number of racy modifications set it apart. As soon as you slip into the heavily bolstered driver's seat, you're left in no doubt about the car's sporting intentions. In front of you is a unique dual dial instrument layout, the leather-trimmed sports steering wheel wears the hallowed M badge, while the iDrive cabin control system has been upgraded specifically for the newcomer.

Impressive as the cabin is, what really sets the newcomer apart is its engine. For the first time, an eight-cylinder lump sits under the bonnet, promising a huge step forward in terms of power and performance. Meanwhile, the brakes provide immense stopping power, and also incorporate regenerative technology, using the heat given off by the discs to charge the battery… although this green attribute is rather offset by the 22mpg fuel returns.

Mind, this economy figure isn't especially realistic, since the car demands to be driven hard. The new M3 is sharper and more responsive than ever before, thanks largely to the fact that the chassis is new from the ground up. Aluminium has a large part to play in the underpinnings, helping to give near-perfect weight distribution, while the latest technology – including a clever variable locking differential – ensures the optimum grip and traction, no matter how hard you push.

This is a simply breathtaking driver's car – and by hitting the MDrive button, you can make it better still. Where most rivals offer a similar feature to sharpen the settings, the BMW's can be tailored to suit the driver's tastes. So by running through the iDrive menus beforehand, you can specify what MDrive does to the power-steering, stability control, traction control and other driver aids.

For some, a sensible side parting simply won't do. But whether or not you've whacked a load of styling gel on your bonce, the new M3 will leave the hair on the back of your neck standing up. It combines supercar pace and immense driver appeal with reasonable day-to-day practicality. So it's a shame people will think you're a cunt if you drive one, because this BMW is a very capable and tempting package. ♣

A RARE BREA-D

We couldn't wait to invite Brea back to Club, and we're so glad we did!

PHOTOS: JACKS

Well, well, well – if it isn't a slender young blonde. A female type that brings so much enjoyment to men all around the world. It was only yesterday we were commenting that we hadn't seen a nimble, fair-haired darling for some time (OK, a couple of hours) and then look who turned up to have their picture taken – the beautiful Brea.

"I've been so busy since I was last in your magazine," she enthused. "I've been trying my hand at lesbianism. I can't believe how much fun it is. I thought a man licking my pussy was exciting enough, but when it's another girl it's mind-blowing! Next time you get me in for a shoot I want you to promise me you'll have another girl I can go down on in front of the camera. Promise?"

One step at a time, Brea. We're not sure if our readers would be ready for such a spectacular experience! ♣

PERSONAL DETAILS

NAME: Franky
AGE: 25
VITAL STATISTICS: 34-28-36
WHAT'S SHE LIKE? Certainly knows what she's doing – and she does it well!

WHY DID YOU WANT TO BE IN CLUB?
I thought it would liven up my sex life. Not that it's flagging or anything, it's just my boyfriend will be over the moon when he sees these pics. He probably won't let me out of our flat for days because he'll be so keen on fucking me. I can't argue with that!

WHAT'S YOUR FAVOURITE FANTASY?
Showers, swimming pools, the sea. Basically anything to do with having sex near or in water makes me, erm, wet! Seriously, I'd love to be fucked on a deserted beach with the gentle waves lapping at my feet.

AND YOU OBVIOUSLY LIKE GETTING DRESSED UP, TOO!
Oh, yes! I love wearing fishnets and really extravagant underwear. Sometimes when I'm alone I'll get dressed up and admire myself in the mirror – before fingering myself senseless! Although you can't beat the feeling when a fella is licking you out through your fishnet stockings. By the time I take them off they're usually soaking as I tend to come by the bucket load.

HAVE YOU EVER TASTED ANOTHER GIRL'S JUICES?
No. As much as I consider myself quite an adventurous type I'm not into the lesbian thing at all. I'd much rather get to grips with a big stiff cock than another pussy.

ANY MESSAGE FOR OUR READERS?
Feel free to write in and tell me what you'd like to see me doing or wearing, and who knows what might happen! ♣

A ROBBY D. ISSUE
SHOT IN HD

Bit of a strange one, this - there are only four proper boy/girl scenes, and one of them (with the delicious Charmane) is hidden away as an extra. The other cock hungry girls are Tia Tanaka, Evelyn Lin (who gets a particularly memorable spit-roasting), and top Brit export Roxy Jezel, who gamely takes on three cocks but never quite manages to get airtight. In fact there's no anal at all, while the other two scenes, featuring Nautica Thorn and Katsumi, are rather pointless teasers. Still, if you like Oriental birds, you'll be happy! ★★★

Obscene Behaviour (Red Light District) DVD

This one starts off promisingly, with the extremely cute Aubrey Addams giving us an eyeful of her bumtastic rear before some Ruud Van Nistelroy lookalike pitches up and gives her what for. It's a tasty gingermuff next, a newbie called Vixen who's not above taking a thorough back-scuttling. Good scene this, and it makes us think gingers may not quite deserve some of the stick they so often get. Ridiculously named Tobi Pacific's next, and this mucky minx takes an excellently filmed DP (as well as some whopping anal beads) before getting her helping of nut-butter. Two more scenes left, and they're both pretty good, but Tobi takes the (chocolate) biscuit. ★★★★

Oh, they're bonus scenes – disc featuring some of the finest lesbo talent lensman Viv Thomas has had the pleasure to film in recent years. For *Club* readers it's like a who's who of quim, with the likes of Stella, Peaches, Jo, Eve Angel and the incomparably-arsed Sandy getting it on with each other. Think you'd like to watch a bit of that? Well, we can't really blame you! Sadly not a biopic of the moustachioed half of Cannon and Ball, this is a nicely crafted piece about the assassination of presidential candidate Bobby Kennedy in 1968, and its impact on the people who happened to be in the Ambassador Hotel at the time. Concentrating on these personal histories, it is nothing whatsoever like JFK, which is probably a good thing. Oh, and what a cast! Typical – you wait ages for a flick about a Victorian magician to appear, and then two of the fuckers come along at once. *The Prestige*, starring Christian Bale and Hugh Jackman, probably aroused more interest on its release, but this has a pretty good pedigree as well, featuring Edward Norton in the title role and able support from Paul Giamatti and Rufus Sewell. Set in Vienna, the plot's a little on the unlikely side, but visually this is an atmospheric treat, which is further heightened by a score from minimalist maestro Philip Glass. Definitely worth an evening of anyone's time. ★★★

As Dorothy once said, "There's no place like home" - and this is certainly true in the world of CSI. There's hardly an American city left that hasn't got its own franchise, but the original Las Vegas crew still set the benchmark. Improbably executed murders solved by improbably named cops is the order of the day, with William Petersen's Gil Grissom leading his gang through the seamy underworld of America's seediest city. If you've got the bug you're in luck, 'cos we've got three to give away. Just tell us which state Vegas is in. Answers to Club's CSI comp at the usual address by July 22nd. ★★★

Seinfeld Season 8 (Sony)

DVD

You'd do well to tell one season from another from the covers (they're all taken from the same shoot), but while Sony might be accused of scrimping on the packaging budget, there's no paucity of talent or laughs in the contents. The four discs are crammed full of episodes that still found the programme in its pomp, including the Summer of George – which sounds good to us! – and loads of other goodies. Plenty of extras, commentaries, and, word has it, a BOGOF offer as well. After all this time, it still makes *Two Pints of Lager and a Packet of Crisps* look more like half a pint of shandy and a mouldy pork scratching. ★★★★★

DVD

This summer seems the moderately-anticipated release of a new live action Transformers movie, so what are the chances that the old animated version should get a re-release on DVD at the same time?! From what we've seen of the new version it'll be a bit glossier than this clunky effort from the 80s, although there is a remastered widescreen version thrown in to whet the appetite. Grown up fans of the original series will no doubt be creaming over their comics to see this available at last, but it'll be a hard one to sell to the kids. Mind, this one features Orson Welles in the cast, which does take some beating… ★★

Apocalypto (DTS)

DVD

Following on from the controversial *Passion of The Christ*, Mel Gibson continues his quest for original language authenticity with this roller-coaster of a ride through the Central American jungle of the 15th century Mayans. The dialogue's actually pretty thin on the ground, so the subtitles don't get in the way, and what you're left with is a visually stunning offering, featuring some impressively scaled set pieces and a jungle chase to end all, erm, jungle chases. It's brutal, gory and, (according to several snooty experts) historically rather suspect, but still, it's a bold effort. Shame about the unnecessary coda, though. ★★★★

HUB OF EXCITEMENT

When I invited an old friend and her husband to stay at my place in Devon for the weekend I certainly hadn't expected becoming their sex slave. I thought Fiona and Mark's visit would be a genteel one. We'd go for a few drinks in the harbour, maybe take a walk along the coast and then in the evening I'd cook a meal for them both. We did do those things – but we also did a whole lot more.

They arrived from London early on the Saturday morning. I was pleased to see Fiona as I hadn't seen her for almost a year, and we were instantly catching up, leaving her husband Mark somewhat left out. Anyway, he didn't seem to mind when we strolled down to the harbour as there was a great pub there where we left him to sit outside while Fiona and I went for a walk.

On our walk, Fiona quizzed me about my sex life and I told her there weren't many eligible bachelors in my sleepy coastal village so I had to make do with my trusty vibrator. She insisted I should come up to London pretty soon, we'd hit the West End bars and clubs and find a bloke to give me a right good seeing to. I nonchalantly told her, "Maybe!"

Later that evening, back at my cottage, we had just finished dinner, and retired to

the lounge with a bottle of wine when the pair made me a proposition. A proposition I certainly wasn't expecting.

"How would you like to fuck Mark?" Fiona asked me.

I didn't know what to say. Mark was a handsome guy and I have to admit I had always fancied him but it just didn't seem right that his wife, my best friend, was offering me to him.

"Come on, Jenny," added Mark, "what do you say? I'd really like to fuck you."

I looked over at Fiona to see if she was being serious and her smiling nod told me that she was, so eventually I relented, "Err, OK."

"Great," Mark chirped and immediately started undoing his trousers as he walked over to me. By the time he was standing over me he had his cock out and was stroking it to firmness before offering it to me. I gave Fiona one last look to see if it really was fine, again she nodded, and then I curled my hand round Mark's rigid cock.

Fully erect it was larger than my vibrator and so I gleefully started to tug on it. Mark sighed as I wanked him off and Fiona looked on in great excitement before ordering me to suck it.

I opened my mouth, moved my head forward and closed my lips around Mark's stonking hard-on. It had been quite a while since I had

given head but it's not something you forget and judging by Mark's groans I was doing it right. He clasped my head in his hands to pull me closer and control the rhythm as I took his length to the back of my throat. I could sense a sweet taste on his shaft and quickly figured Mark must have fucked Fiona in the guest room just before dinner. I had never tasted another girl's juices before, or my own for that matter, but I found it quite intoxicating.

I continued to suck Mark's dick and then things started getting really freaky. Fiona had just been watching but now she was sticking one hand down her knickers and clearly playing with herself as I gave her husband head.

"I bet it tastes good, doesn't it?" she said to me. I nodded as best I could with Mark's massive dick in my mouth. Then Fiona came over to me and started to put her hand down the front of my jeans. I'd never been touched this way by another girl before but I was getting carried away with the moment and let her undress until I was down to just my thong.

Mark reached down and groped my breasts while Fiona licked my nipples. I was getting completely carried away, and before I knew it Mark and Fiona had me laying on my back on the sofa, peeled my thong off and started taking turns in licking me out. I have to admit Fiona had the gentler touch with her tongue but I did enjoy the ruggedness of a man eating my cunt, and Mark was the first to make me come.

As I started to buck and groan as his probing tongue brought me off, Fiona straddled my face, pulled her knickers to the side and planted her completely shaven snatch over my face. I had never done it before but took to eating her pussy like a fish to water. It felt incredible being licked out while licking someone else out.

I got so into tonguing Fiona's smooth snatch that I didn't realise Mark was now prodding my hole with the tip of his cock. But I soon felt it when, with one fervent thrust, he plunged his length deep inside me. I spluttered on his wife's succulent folds but then regained my composure to enjoy both the fucking I was receiving and the tonguing I was giving.

> **"Fiona straddled over me, and planted her completely shaven snatch over my face"**

Mark's fuck strokes were deep and satisfying, each one filling my hole like it had never been filled before. Pretty soon I was experiencing another wave of pleasure as a second orgasm erupted. The pair of them could obviously tell I had just climaxed again as Mark pulled his solid prick out of my cunt and Fiona lifted herself off my face – so that they could swap ends.

"Mmm, your pussy cream tastes lovely," Fiona remarked as she tucked into my freshly fucked snatch. Then I was able to sample my own juices for myself as Mark slid his cock back into my mouth.

After some frantic sucking of his cock, Mark then introduced a new flavour to my palate as he fired his own hot mess into my mouth. The mixture of juices was sensational and I did my best to gulp down the whole lot but Mark's cock spewed so much, a lot of it dribbled out the side of mouth. Fiona was there in a flash to deal with that. She lapped at my face like a cat, licking up all of her husband's semen as he collapsed back into the armchair with his withered prick dribbling the last of his tasty seed.

Once Fiona had ensured my face was clean she went over to her husband for his last remnants leaving me exhausted on the sofa, reeling from the incredible and unexpected sex I had just experienced.

That wasn't the last of our threesome fun that night as we all retired to my bedroom for another session and I was genuinely sad to see them go the next morning. Fortunately I'm going to pay a trip to their place in London soon and if I don't pull a fella of my own, I know I can rely on Mark and Fiona! – *Jenny, Devon*

STRIP TEASE

I live in a shared house with two girls, Samantha and Chloe. The pair of them are both stunning, but as soon as I moved in they made it clear to

me that although they thought I was pretty hot, there was absolutely no way either of them would fuck me while we all lived under the same roof. That is until Chloe came home from work one night with the absolute horn…

I was lazing on the sofa watching *24* when I heard the front door slam and then Chloe appeared.

"Busy night?" I asked as she sat down in the armchair.

"Yeah, you could say that," she replied. "We were so busy behind the bar I didn't even get a break. Still, the male stripper that came in for some woman's 40th more than made up for it. He took off everything and had a stonking great hard-on. If I wasn't working I would have been right down the front trying to grab hold of it."

"Really?" I muttered, pretending to sound interested. "That turns you on does it?"

"Well," Chloe said, "If you did a strip tease as good as his I'd probably get quite excited."

There was a sarcastic tone to her voice but I took her words as a challenge.

"Don't hold me to it," I said, hoping that she would. And she did, so minutes later I was acting out a spectacular strip tease in the middle of my lounge. Chloe was clapping and shouting "off, off, off" as I shed my clothes and pranced around like a twat.

It wasn't long before I was down to just my boxer shorts and I thought Chloe would have had enough by then. How wrong I was. She pulled me over to her and grabbing the waistband of my boxers she tugged them down with one firm pull. My prick flopped out and I continued the show by letting it swing from side to side right in front of her face.

She had an enormous smile on my face as her eyes followed my swinging dick like she was being hypnotised. Well, it must have had some effect as the next thing I knew she was grabbing hold of it and wanking me off like her life depended on it.

I was hard in an instant and took Chloe in my arms and we began to kiss. I started to take off her clothes and pretty soon there we were – both stark naked. Chloe's body was better than I had imagined it and I buried my face in her ample breasts while she ran her fingers over my back.

She was keen to press her boobs in to my face and after licking each of her nipples for some time I was too eager to claim the real prize so I ran my hand down between her legs. After some careful probing I found her wet hole and slid a finger inside.

Chloe groaned with this intrusion and I pushed it a little deeper, then started sliding it in and out. She continued to whimper accordingly and then I felt her hand wrap around my cock again.

We were entwined together on the sofa and as I fingered Chloe, she pulled me off. This was only going one way and with a bit of re-positioning I soon found myself poised between her open legs. With a bit of guidance from her hand I eased my knob against her wet hole. Knowing I was lined up correctly I applied a bit of pressure and felt my stiff dick sink slowly inside her.

Chloe gasped as I entered her. Our breathing became heavier as I slowly rocked against her, feeling her wetness coating my prick. When I could tell she was used to me being inside her I began to pump slightly harder. A satisfied smile crossed her face; I knew she was enjoying it just as much as I was.

"My body jolted with pleasure and I felt a stream of spunk gush from my knob"

After a while I asked her to go on top. She complied and we both changed positions. The feeling as Chloe slid down onto my knob was incredible, but got even better as she began to ride me aggressively. "I'm gonna fuck you hard, you bastard. Don't you fucking dare come yet, don't you fucking dare."

By now Chloe was so wet I realised she was about to come herself and when she did she ground down so hard on my pelvis I thought she was going to put me in hospital. I survived, though and when she finally collapsed onto me, my cock still rock hard inside her, she quickly asked what I wanted to do now. I told her I wanted to fuck her from behind, so she obligingly turned over on to all fours and slipped it back up her.

She started pushing back as I pumped her and it didn't take long for Chloe's movements to get a reaction from me. Before I knew it my body jolted with pleasure and I felt a stream of spunk gush from my knob inside her pussy. She kept pushing back while the last strands of cum seeped from my cock and, realising I was spent, she pulled away, turned around and lay beside me on the sofa.

At that minute, our other housemate, Samantha, came into the front room.

"Can you keep the noise down Luke, I'm trying to… oh!" she gasped when she saw me laying starkers next to Chloe. We just looked back at her with devious grins on our faces until I jokingly said, "Do you mind?"

With that she walked out the lounge and Chloe and I started laughing. As I surveyed the situation having just fucked my housemate who had vowed never to do it, I thought to myself rules were made to be broken! – *Luke, Preston* ♣

RUDE AWAKENING

Even after four years of marriage my wife Eve's gorgeous body still gets me hot. When I got up for work the other day I couldn't help but notice how Eve's hand had strayed between her legs as she lay curled up on the bed asleep. Her back was to me and her legs were drawn up to her chest. As I watched her lovely arse I felt my cock start to twitch and knew I had to have her. In an instant I was on the floor up close to her bottom, examining the little starburst deep between her cheeks and inhaling the scent of her vagina. I lightly stroked her bottom, trying to wake her gently, but, before long, I could no longer control my urges.

Parting her cheeks gently, I ran my tongue along her crack. She moaned softly, unconsciously pushing against my mouth as I tongued her pussy until it was slick with my saliva, and then I began attending to her other hole. Through all of this attention Eve pretended to be asleep, keeping her eyes shut even though her body was clearly reacting to my touch.

> ***"I leaned forward and pushed the head of my cock into her tight hole"***

I stood up, and, as I eased Eve's bottom into position, she yawned and giggled, joking that I was taking advantage of her. It was hardly a serious complaint as she then wriggled her lovely bottom provocatively and reached back to hold her pretty arse cheeks apart. Taking the ever-ready bottle of baby oil from the bedside cabinet, I drizzled it over her cheeks and then down the centre of her crevice. With gentle hands I massaged her buttocks and worked the oil well into her anus.

Gently and with care I manoeuvred my penis until the head was right up at the puckered opening. I leaned forward and pushed the head of my cock into her tight hole. Eve gasped breathily, clearly enjoying the experience, but I didn't want to go too fast, so I stayed like that for a few seconds before slowly pushing my dick deeper inside her arse.

Again and again I repeated the in-and-out action, increasing the pace as I felt her anal muscles relax sufficiently. She let out a loud moan and begged me to fuck her harder and faster. Obediently I pounded her arse now as she fingered her clit. Suddenly she stiffened and let out a growl, dipping her back as she threw her head back. Her sphincter tightened around my penis like a vice as she came, her twitching anal muscles gripping my rigid cock as orgasmic waves made her pussy and arse spasm.

With extreme difficulty I managed to hold back, as I desperately wanted to fuck Eve's pussy as well as her arse. We stayed with my cock buried in her anus for about a minute before her contractions lessened and my prick finally softened enough to allow it to slide out.

My attention now centred on Eve's soaking vagina, and I positioned my penis head up against her slick pink opening. Then, with a mighty thrust, I entered her pussy. Her warm juices bathed my cock as I pushed in as deep as I could, then quickly withdrew before sliding in again. Eve was chirping in delight and her pussy muscles gripped around my shaft with every penetration.

Back and forth I sawed my cock as Eve gasped and urged me to keep going. Then once again I felt her stiffen as she prepared for her next orgasm. Her whole body shook this time as she came, gripping my dick as her pussy spasmed around my wood.

I was just preparing to unload my junk when Eve begged me to hold out and come in her arse. Quickly I pulled out of her cunt, spitting on her puckered little ring to lubricate it again before entering her hole. My ball sac was aching by then and I was determined to splash as soon as possible.

Eve gyrated her hips and became very vocal as I hammered her back passage. In and out I plunged my cock, really testing her mettle this time as I frantically reamed her rump.

Eve squealed with delight, then ordered me to baste her arse with my "hot sticky goo". With one final shunt I gave her all I had, ejaculating deep inside her anal cavity, jerking and shuddering as she climaxed at the same time.

It was one of the most memorable fucks I have ever had, especially since Eve decided to finish our love romp off by cleaning me off with her tongue. As you can imagine I had to go back and shower again before leaving for work, and my boss gave me some grief for being late that day. But who gives a monkey's when you have a wife as horny as my Eve! – *Kevin, London*

"Her sphincter tightened around my penis like a vice as she came"

DARK DELIGHT

I had a rough day at work last Thursday, so I went for a beer to help cheer myself up. Sitting at the table next to me was a hot black girl. She was having a heated row with her boyfriend. It was becoming pretty nasty and I wondered whether or not I should intervene, but while I was deciding, he yelled that it was over between them and stomped off.

The girl was left crying quietly to herself, and, not being one to miss an opportunity, I moved to her table and offered her a drink to help steady her nerves. She accepted, and, smiling through her tears, asked if I would mind keeping her company for a while.

Too right I didn't mind! It had been over three

weeks since I'd had a shag, as the prissy bitch I'd been seeing had taken exception to my trying to make a back-door entry, so to speak, and given me the elbow.

I bought the girl – who was called Annie – a drink and told her I had just survived a broken relationship too, though you can be sure I didn't tell her why we split up. She told me that hers had been on the rocks for a long time and that she was relieved that it was finally over. Her most pressing problem was that she couldn't go back to his flat and had nowhere to stay for the night, and, taking her mobile out of her pocket, she said that she was going to phone her friend and ask if she could stay with her.

I listened to her making the call, but it turned out that her friend had visitors staying over and couldn't accommodate her, so I suggested that she come home with me as I had the house to myself. She accepted hesitantly, so to help her feel safe I gave her my phone number and address, suggesting that she call her friend back and tell her where she was staying for the night.

When we got to my house I helped her out of her coat and got an eyeful of her gorgeous big knockers straining against the fabric of her blouse. We went into the living room, and she settled on the sofa while I went to make coffee.

As the kettle was boiling I watched her through the open doorway. She was making herself comfortable all right. Her shoes were on the carpet and she was pinching one of her nipples through her blouse while her other hand was pressed hard against her crotch. She must have supposed she was unobserved while I was out of the room.

I abandoned the coffee and walked in on her, and she whipped her hand away, looking caught-out and embarrassed.

"No," I said. "Don't stop." She stammered something about how she hadn't expected me to come back in so suddenly. I told her that I had never seen anything as hot, and she smiled shyly and then, much to my delight, returned to fondling herself.

Feeling hornier than ever, I pulled off my tie, staring at her in amazement as she removed her panties. Annie closed her eyes as she exposed her dark fleshy labia with her long shapely fingers. Her fanny lips were dark, while the inside of her pussy was dusky pink and succulent.

> **"Though I sensed her surprise, it clearly wasn't the first time she'd had anal sex"**

Running her fingertips across the bulge in my trousers, she teased my cock. Then removing her blouse, she undid her bra, allowing her big ebony boobs to flop out in all their glory. Pulling her skirt down over her thighs she turned around, showing off her beautiful, curvaceous bottom, before settling back down on the sofa.

"I want your cock here first," she said, running a fingertip along her lower lip. My tool stuck out like a barber's pole as I positioned myself with my knees either side of her face.

"Fuck my mouth," Annie invited, licking her glossy lips and flicking her tongue over my moistening helmet. I manoeuvred my throbbing penis until the tip was resting between her lips, and then, slurping greedily, she drew my cock deep into her mouth.

Excited almost beyond control, I thrust my knob towards the back of her throat. Filling her mouth, I fucked her face while she worked her tongue around my pole. Not wanting it to end to quickly, I held myself back, and as she sucked and gobbled I watched her beautiful dark face gobbling my swollen pale cock.

It was heavenly, but I was now after something different. Annie's promiscuous behaviour indicated that she might not be adverse to a little arse sex. So withdrawing my penis from her mouth, I positioned her on all fours in preparation for the main event.

Fondling her soft black buttocks, I bent over her, and pressed my bulging knob against her ring. She expected to be taken doggie fashion and it wasn't until my knob forced itself between her cheeks an inch too high for vaginal entry that she realised what I was planning. To my delight, she'd no objections.

I grabbed her hips to pull her back onto my cock and my pre-come-drenched helmet nudged against the tight wrinkled entrance to her bum hole. I could feel Annie automatically tightening her sphincter but a playful slap on her rump told her I was not to be denied, and with one hard thrust I penetrated her anus. Annie gasped as I drove my length into her, my balls bouncing against her bum as I sank my cock to the root inside her.

Though I sensed her surprise, it clearly wasn't the first time she'd had anal sex, because it didn't hurt her even slightly, and the moment I had her completely corked she pushed back against my throbbing balls, moaning in excitement.

I could feel the tightness of her bum hole as I pulled back and forth inside, making her squeal with each thrust. As my pumping got faster her moans got louder, particularly when I gave her arse another gentle slap. Then she clearly started to come as she begged me to come too.

Just a few more strokes from me was enough and I felt a corrupt pleasure stir inside me as she yielded to my throbbing weapon and my semen flooded her in great warm ripples. Mid-ejaculation I pulled out of her bum and watched as my cock fired its final strands of hot white spunk over her dark behind.

A cry of passion came from deep in her throat as she slumped on the sofa. I massaged my dollops of come into her arse cheeks, dabbing some round her ring to soothe the hole and then sat back, drained. That was a couple of months ago, and we've been hard at it more or less ever since. – *Paul, Derby* ♣

DRESS DOWN!

Sexy and stylish, it looks like Suzanne's got nothing to get off her chest...

PHOTOS: MB EUROMEDIA

Quick! Someone tell Suzanne she's put her dress on back-to-front. On second thoughts don't bother – in true *Club* style she's already started taking it off.

"You cheeky bastards," she retorted. "It's called fashion, but I wouldn't expect you to understand. All you're bothered about is what's underneath a girl's dress, right? Mind you, I can't blame you. I'm always looking at blokes in the street and imagining what they look like with their trousers off. Sometimes you can get a good idea if there's a bulge in the front of their jeans – but then I suppose I could be culpable for such trouser-tenting moments.

"Anyway, don't take the piss out of my new dress – I think it's going to come in very handy when I fancy some boob-fondling action. At least a guy won't have to waste valuable seconds fumbling with a bra strap. Getting to my tits will be as easy as drawing the curtains in the morning!"

And we suppose your knickers drop like blinds, right? ♣

The Club International
Stereo of Filth & Love!

Brought to you by Club's drug-addled music madman DJ Radio Jamaica

Hard-Fi

Once Upon A Time In The West (Atlantic)

Every now and again you'll be in a really cool club surrounded by really cool people and somehow, having slipped through the net and avoiding the pretentious dress code policies, a beautiful chav in a mini skirt will give you a hard-on and a large smile on sight. Remember this: the one thing you both have in common is Hard-Fi and if you lay your cards on the table correctly she'll wank you off in the disabled facilities for the price of a Bacardi Breezer (£3.25 in my local). Musically it's the same old story – second album isn't as good as the first, but they never are.

MIA

Kala (XL)

If Dizzie Rascal shoved his grimey cock up the lovely arse hole of Ms Dynamite and they both decided to record the forthcoming events, Kala is what it would sound like. Coming from "Sri Lanka via south east England," young MIA does a bit of grime with a bit of sassy hip-hop while trying her very hardest to keep things as real as she possibly can. If you like your nipples dark and enjoy those exotic dark bits on a young lady's pussy then your iPod Nano's gonna love this.

Interpol

Our Love To Admire (Matador)

The New York quartet's third album is by far this month's best and coolest effort. Packed full of punchy bass lines and Joy Division-esque numbers, indie dance floors throughout the nation will be rammed with young indie pussy compliments of this little bad boy. And all you need to do then is lure one back to your student digs, show them your impressive CD collection and your Che Guevara posters, and then ram the saucy little bint senseless.

The Enemy

We'll Live And Die In These Towns (Warners)

They like nothing more than drinking beer, getting fucked, and fingering girls – and that's the reason why The Enemy will soon be your best friend. The Manic Street Preachers loved them so much they decided to take them on tour – it's all rock'n' roll baby. So don the Adidas tracky top, smoke a fag, and get on it.

Club chats to Born Slippy mad man and Underworld front man Karl Hyde...

Hi ya pal, shall we sit here?
Yeah. I got up to photograph all these sofas this morning at half past six.

How come?
I've been collecting pictures of sofas for about four years now. What happened was, we were backstage somewhere in Japan and we've done this great gig in this really beautiful theatre and there was such a disgusting filthy object to sit on. I thought "bands are always given filthy objects to sit on," so I took a picture of it and it just went from there. I've probably got four or five hundred pictures of sofas now! And probably only about five of them are actually decent sofas!

My Mum's got a nice leather one in our living room if you want a photo of that mate?
That sounds good, nice one! I know the sort.

What about pouffes? Have you ever thought about branching out to the lucrative world of pouffes?
Got them! I've got piano stools, swivel chairs, pairs of chairs, you name it! At the moment I'm also collecting all the little bits and pieces that they give you in your hotel rooms. I don't know what I'm gonna do with them, but I'll do something with them.

What's the most expensive free thing you've found in a hotel room then? Do you ever get quality dressing gowns 'cos mine's wearing a bit thin.
Yeah, they give you really nice kimonos in Japan. Every day in Tokyo there was a little gift like a hand-made pastry or this glass teapot with mint tea in it. It was a bit over the top.

Yeah, it sounds it. So where were you born then?
I was born in the West Midlands. Out near the farmlands, where they say the only two ways out of there are football and music – otherwise you work in a factory. Or you're born on a farm and you work for your Dad, then you take over the farm. And I wasn't born on a farm, and I wasn't working in a factory. I was crap at football and was pretty shite at music! But that was the best of the options.

You live in Romford now. What's it like down that neck of the woods?
I really like the Eastenders. I really do. Funnily enough, it's the first place where I've actually felt like I was a part of the community. It's weird because I'm a West Midlandser. I never got on with Brum, I never did. I liked going there to see gigs and I went out with a girl from Brum, but I never really got on with it. I never liked the accent. We're kind of moving out now because we don't need to be around London as much anymore. And Romford's not the safest place to bring up kids.

If you got run over by the tour bus tonight, how would you like to be remembered?
Some of the smiles I've been involved with. Some of the things me and Rick have done. I'm proud that we've kind of stuck it out and not arse licked. And I'm proud of kicking the booze as well. Yes I am.

Quality. Thanks for your time, you've been a legend!

Underworld were recently involved with composing the original scores to ***Sunshine*** *and* ***Breaking and Entering.*** ♣

FRILLS & SPILLS!

Edie loves to take care of the little touches before having a little touch of herself!

PHOTOS: KEVIN MAKLIN

Catering for fans of both the undergarment and the neatly trimmed bush is the adorable Edie. We think you'll be particularly impressed by her frilly stockings and the fine strip of pubic hair marking the entrance to her succulent-looking pussy. But if those factors fail to wow, her tits should do the job.

"Nothing makes me feel sexier than a nice pair of stockings," she confided in us. "Just putting them on gets me horny. There's nothing I love more than getting dressed in front of the mirror, and every time I put on my stockings I can't help having a little fiddle down below. That's why I also shave my pussy so neatly – I like to stroke my strip of hair with one hand while fingering my slit with the other. It never takes long for me to come that way!" ♣
